COMING SOON

GATE Summer Program
Available to Current GATE Identified 4th Graders

This summer, Omaha Public Schools’ Gifted and Talented Education will be hosting Camp Invention for GATE Identified 4th graders.

Camp Invention is a weeklong summer day camp where STEM skills are built with creative hands-on problem solving activities. Find out more at http://campinvention.org/inspire/camp-invention-k-6th/2017-program/

Registration is time sensitive and space may be limited

Watch for official invitations in US Mail the week of March 20th
