An Overview of Your
Dental Benefits

Educators Health Alliance
A Dental Plan Exclusively for Educators Health Alliance Members

Something to Smile About...

The EHA makes five dental plan options available to school groups. See the Schedule of Benefits Summaries (SOBS) on the following pages for a brief overview of the benefits of each option.

If you enroll in an EHA medical plan, you must also enroll in an EHA dental plan. (Your spouse and children may also enroll in EHA dental coverage if you enroll in an EHA medical and dental plan. An additional cost may apply for the dental plan.)
Important Note about the Two Types of EHA Dental Plans

**Options 2, 4 and 5** – benefits are paid at a higher level when in-network dentists are used. For more information, see the SOBS for options 2, 4 and 5 on the following pages.

**Options 1 and 3** – benefits are paid at the same level regardless of whether an in-network or out-of-network dentist is used. However, you can save money by using a Blue Cross and Blue Shield of Nebraska in-network dentist. For more information about our network, see page 14.

**Options 2, 4 and 5 are governed by a different contract than Options 1 and 3. There are differences in covered services and what services are covered under each category.**

Covered services are reimbursed based on the allowable charge. Blue Cross and Blue Shield of Nebraska in-network providers have agreed to accept the benefit payment as payment in full, not including deductible, coinsurance and/or copay amounts and any charges for non-covered services, which are the covered person’s responsibility. That means that in-network providers, under the terms of their contract with Blue Cross and Blue Shield, can’t bill for amounts over the contracted amount. Out-of-network providers can bill for amounts over the out-of-network allowance.

Our dental network in Nebraska is part of a larger provider network of multiple Blue Cross and Blue Shield Plans that, when combined, offers one of the largest national PPO dental networks and provides you and your covered family members with lower out-of-pocket costs and broad access to participating dentists.

If you or your covered family members live or travel outside of Nebraska, you will be able to obtain covered services at the in-network level of benefits through our dental network.
**Noncovered Dental Services**

The following is only a partial listing of the exclusions and limitations that apply to EHA dental coverage. A complete list is in the master contract.

- Services not identified as covered under Coverages A, B and C in the contract.
- Dental services related to congenital malformations or primarily for cosmetic purposes.
- Services for orthodontic dentistry (unless covered under Option 4) and treatment of the temporomandibular jaw joint.
- Supplies, education or training for dietary or nutrition counseling, personal oral hygiene or dental plaque control.
- Services received before the effective date of coverage or after termination of coverage.
- Services determined to be not medically necessary, investigative, or obsolete.
- Charges in excess of our contracted amount.
- Services covered under Workers’ Compensation or Employers’ Liability Law.
- Services provided by a person who is not a dentist, or by a dental hygienist not under the dentist’s direct supervision.
- Charges made separately for services, supplies and materials considered to be included within the total charge payable.

**Membership Changes**

If you wish to change your membership category for dental coverage from employee-spouse, employee-child(ren) or family to single, you may do so at any time during the year. You may also change from single to employee-spouse, employee-child(ren) or family dental coverage if you experience a HIPAA qualifying event (birth, death, divorce, marriage, adoption or placement for adoption, or loss in creditable coverage). HIPAA stands for Health Insurance Portability and Accountability Act.

**Membership Categories**

**Single Membership:** Covers the employee only.

**Employee and Spouse:** Covers the employee and his or her spouse.

**Employee and Child(ren):** Covers the employee and his or her eligible dependent children, but does not provide coverage to a spouse.

**Family Membership:** Covers the employee, spouse, and eligible dependent children.

The employee’s dependent children (excluding foster children) are covered to age 26. Reaching age 26 will not end the covered child’s coverage as long as the child is and remains both incapable of self-sustaining employment by reason of mental or physical handicap and is dependent upon the subscriber for support and maintenance.
