Identify someone who may be interested in becoming an Omaha Public Schools Principal!

Please share contact information for any individual who you think would make an outstanding Omaha Public Schools principal. We are looking for people who have proven ability to improve instruction, a record of success in leading adults, and a relentless drive to achieve success for all students. Candidates must be certified and demonstrate evidence of our OPS Principal Competencies.

We will send identified candidates information about the Principal Candidate Pool process. This form will not impact whether or not someone is selected into the Pool.

Your Name: ____________________________  Your Organization: ____________________________

Your Phone: ____________________________  Your Email: ________________________________

How do you know this candidate? ____________________________
