Use the Infinite Campus Portal!

Do you have a Portal account?

Q: Yes, I already have an account and signed up in previous years. Do I sign up again?

A: No. We encourage you to continue to use the Campus Portal. If you already have an account, you do not need to sign up again.

We have enclosed a Portal brochure that explains grading practices. This brochure will also show you how to download the Portal APP to your smart phone so you can monitor your student’s anywhere, anytime. See the back of the brochure for details.

Q: No, how can I sign up?

A: We invite you to sign-up for the Infinite Campus Portal. The Portal is a web-based communication program that allows parents and students secure internet access to real-time assignment grades, attendance and course information. In order to access the Portal, you will need to have a valid e-mail address and request a password from the school district. Once you have requested and been issued a password, you may log into the Portal website.

A copy of the Portal Application is provided for you. Complete and return this application to your student’s school to register for the Portal.

Although you do not have to have an email address to use the Portal, if you do include a valid e-mail address you will also receive important notices about your student regarding grades, attendance and general announcements.

Q: I have more than one student attending OPS schools, do I need a separate account for each of student?

A: No. Once you have signed up for the Infinite Campus Portal, all students for whom you are marked as the parent will appear in your Portal account drop down list regardless of ages or schools.

Q: What if I have more questions about the portal or need assistance?

A: Contact your student’s school to ask any questions about the Portal.

Q: Can my student sign up for their own Portal account?

A: Yes, each student should have their own Portal account as well so they can monitor their own grades and course information. Contact your student’s school to ensure that a Portal account is created. If your student already has a Portal account, there is no need to create another one.
