How much time should I spend on homework?
You should expect ten minutes (or more) per day times your grade level.
- 3rd grade = 30 minutes
- 6th grade = 1 hour
- 12th grade = 2 hours

Time may vary depending on classes.

Can I redo my work for full credit?
- Students may be allowed to redo/revise work until the end of the unit, based on teacher’s professional judgement and evidence. Talk with your teacher.

If I don’t turn in my work on time, what happens?
- Work not turned in at all will be recorded in Infinite Campus (district grade book) as an M for missing which calculates to a score of zero.

Am I allowed to turn in coursework late?
- Late coursework may be accepted for full credit until the end of the unit based on the teacher’s professional judgment and evidence collected throughout the unit.
- Accepted late work will replace M with the score earned by the student.

Are some assignments worth more than others? *Secondary only.
- When entering grades in the grade book, teachers may assign greater weight to some major summative assignments.
- For example, the final exam may impact a student’s summative grade more than a unit test. This information will be communicated to students at the time the assessment is announced.

How can I check my grades?
- You can look on the Student Portal. campus.ops.org/campus/portal/ops.jsp
- You can get the Infinite Campus app on your phone. The code is YJSVKH.
- Current information can be viewed every two weeks as teachers update their grade books.
